As the economy takes its toll on school budgets, our marching band needs your help more than ever! This year's march-a-thon funds will be used to help offset my personal fees for things like: competition fees, new equipment, and transportation.

Would you be willing to support me?

Dear Uncle Ronnie,

I have been very busy practicing since I last saw you at Thanksgiving. Would you consider making a pledge to help earn money for my marching band fees? Please tell my cousins that I miss them.

Love,

Claire
