

Dear

The **Warren Performing Arts Association and the Warren Central High School Gold Brigade Band & Color Guard** are gearing up for the 2024-25 school year. Our diligent musicians are now laying the groundwork for an exciting and rewarding year of performances. We have events scheduled and look forward to performing for you at football half-time shows, concerts, and distinguished band competitions throughout central Indiana.

The Gold Brigade has enjoyed extraordinary success over the past several seasons. During our 2023 season, our performers achieved many honors, including the **Scholastic Class A State Championship**. These honors do not come easily and are only bestowed upon bands performing at the highest level. The Gold Brigade continues to be one of the premier high school bands in the area, providing students with the knowledge, skill and experience needed to be successful, young musicians...and ultimately, young adults.

As you may imagine, developing and presenting a winning performance is a challenging process. Unfortunately, it is also an expensive undertaking. Our band relies heavily on the generous donations of our parents and sponsors, and as we continue to grow and improve, the financial demands increase. To achieve our goals for the 2024-25 season, additional resources are needed now to cover staffing, design, music, transportation, and all operational aspects of our organization.

Students engage in many personal fundraising activities to cover their participation fees, which total \$720 for this season. However, the most effective way for our organization to raise funds is through sponsorships. Sponsorships ensure that 100% of donations go directly toward fulfilling the immediate financial needs of our program, as well as supporting deserving students that do not have the financial means to cover their annual fees.

We invite you to review our sponsorship/donation form and consider supporting our efforts to keep our Warren Central Gold Brigade Band & Color Guard as a vibrant representative of the local community. Several sponsorship levels are available, and **all donations are tax-deductible**. Any donation, no matter how large or small, is greatly appreciated and can help ensure that every student has an incredible experience within our program.

On behalf of the band members and their parents, thank you in advance for your generous support.

Sincerely,

Warren Central Gold Brigade Marching Band Parents
Mr. Edward Meckes, Marching Band Director
